

Reflection On My Learning

Name: _____

Date: _____

In the spaces below, comment on what you have learned and what decisions you have made as a result of working with the One Life...Many Gifts curriculum.

1. My knowledge about organ/tissue donation and transplantation:

I learned

I decided

2. In thinking about my role as a group member

I learned

I decided

3. I learned that I need to talk to my family about

4. I got the following answers to questions that I had about transplantation and donation:

5. Other thoughts:
